LUXURY LIVING

TWO ISLANDS DOUBLE THE ADVENTURE

Nature's Playground offers more than a luxury retreat in the Maldives. Going **beyond conventional concepts** of lavish accommodation, splendid cuisines, and lavish services.

With two lush islands, surreal settings above and below the water, and the beautiful Indian Ocean surrounding, Niyama Private Islands Maldives plays host to events beyond compare.

Models stride across the lagoon catwalk, singers perform on a stage set half a kilometer out to sea, and cocktails and canapes are served up in the treetops or six metres below the ocean's surface.

Imagine the most daring of settings for your event, and we bring it to life.
