Snorkeling Information

Maruhubaa! Welcome to The Residence Maldives at Dhigurah. We wish you a pleasant stay.

The below instructions are for your safety & should be strictly adhered to at all times.

- Please do not attempt to cross the Red Zone lines as seen on the map.
- Do not go for marine activity or water sports activity alone or during night time.
- Please be aware of the strong current and the quick change of water levels from low to high tide.
- We strongly advise not to cross the channel located on the north and south end of the island even at low tide.
- We recommend you to wear life jacket at all times.
- Do not attempt any marine activity during bad weather.
- Alcohol consumption is strictly prohibited before any marine activity.
- Avoid swimming or snorkeling near the jetty.
- Please be aware of the sudden drop in the depth of water on the house reef from approximately 5 meters to 20 meters.
- Do not struggle against rip current /wave. Follow the wave and try to escape it by swimming parallel to it.
- Do not panic in the event of an emergency. Remain calm and allow your body to float on the surface. Call for help by raising your hand to signal or blow the whistle that is attached to your life jacket.
